**Bulgarika** was formed in 2006 by a group of expatriate Bulgarian musicians and NYC native Michael Ginsburg. Each band member has an exceptional history of scholarship and performance and serves as an outstanding representative of his or her musical specialty within the field of Bulgarian music. **Michael Ginsburg** is an expert in the complicated rhythms of Balkan music. He has made several research trips to Bulgaria and studied in Macedonia with Pece Atanasovski. Michael has taught some of our favorite dances, including Baba Đurđa, Prsten Mi Padna, and Skopski Čoček.
